Offerings, dates, and times are subject to change. Refunds are not given unless VCES cancels the program.

No exchanges.

**Guitar & Ukulele:** This 6 week class is for returning Guitar & Ukulele students, and will build on the chords and strumming patterns learned in previous sessions, incorporating music theory while having the fun of making music! Students will learn to use chords as building blocks to play simple songs. Guitar & Ukulele are great starting instruments! Prerequisite of having completed a prior Guitar or Ukulele class. Registration subject to instructor approval.  
**Fee: \$105**

**Movers & Shakers:** In this interactive rhythm class, students will explore a variety of rhythm instruments (drums, tambourines, rhythm sticks, xylophones, and more) while keeping a steady beat and learning note values. Come have fun playing the beat and moving to music! **Fee: \$105**

**Kids on Keyboards:** This self-paced class teaches music notation, including pitch, various meters, and clefs. Students will learn performance technique and performance practice, applying their skills to learn more advanced pieces. With the encouragement and guidance of the instructor, students will present an informal performance at the last class.  
**Fee: \$105**

**Fun with Drums:** Playing drums is FUNtastic! Students will have fun playing different percussion instruments such as Cajon, Djembe, Timbale, Timbau (“Green Monster”), Tubano (“Red Dragon”), and hand percussion. “Bucket Drumming Karate” is another fun way to establish rhythms as students become bucket drumming karate masters! With rhythmic body drumming, some jazz and rock styles, high energy songs, and out of this world drum games.  
**Fee: \$105**
