

# Virtual Math Team

3rd/4th/5th graders

Students earn self-confidence and learn how to tackle problems through participation in the Math Team. Mentored by high school Math Team students, elementary team members gain new math skills in this after-school program and compete in local Math League tournaments.

This program is ideal for advanced math students. Optional, in-person Saturday session will be available at the Skyway campus for national competition preparation.

10 Monday Sessions:

Jan 27; Feb 3, 10, 24; Mar 3, 10, 17, 24, 31; Apr 7

Time: 5:00-6:00pm
