

Pickleball

Pickleball is a cross between ping-pong and tennis and is a sport the whole family can play together.

It is fun and easy to learn. Pickleball is a social sport and **kids will start rallying, serving, and playing games on the first day of class.** Coaches will provide wiffle balls and give each child their own paddle so they can practice at home. **Kids will improve their hand-eye coordination, reaction, fitness and movement. Pickleball skills can help kids get ready to play tennis.**
